LIBBY GILL SPEAKER INTRODUCTION

Executive coach, leadership expert, and award-winning author, Libby Gill guides leaders across the globe to inspire purpose and drive performance.

Libby began her career as a talking Christmas tree at a local mall, a tap dancing bear at Knott's Berry Farm, and as the hand model for Fancy Feast cat food. After deciding that this was not a sustainable career path, she went into corporate entertainment, heading communications for Sony, Universal, and Turner Broadcasting.

Now, an executive coach and leadership consultant for nearly 20 years, Libby's clients include Bank of America, Capital One, Disney, Ernst & Young, Honda, Intel, Microsoft, United Healthcare, Viacom, and many more.

A former columnist for the Dallas Morning News, Libby is the award-winning author of six books including *You Unstuck* and *The Hope-Driven Leader*. Her latest book, co-authored with Rice University's Doerr Institute for New Leaders, is *Leadership Reckoning*.

Please welcome Libby Gill.
